Configuring your iOS device for printing at Clancy Catholic College

1. For students: make sure there is enough credit on your printing account (Add credit at student reception).
3. Once you have opened that link, you will be prompted with the ‘Install Profile’ screen. Tap ‘Install’ at top right of screen.

4. At the ‘Warning’ screen, tap ‘Install’ and then ‘Install’ again at the ‘Install Profile’ prompt.

5. You will now have an app show up on your home screen called ‘Printing’. Tap the ‘Printing’ app.
6. On first launch the Papercut printing app will ask you to log in with a username and password. Enter in the username and password that you would normally log on to your laptop with. Make sure that the 'Remember me' checkbox is checked. Tap the 'Log In' button once your username and password has been entered.

7. Your iOS device is now configured for printing. You can view print jobs sent along with your account balance using the ‘Printing’ app in future.
