8th February 2016

Dear Parents and Carers,

On **Wednesday 17th February**, the College will host a Year 11 Information Evening **at the College in the Theatre**. The purpose of the evening is to assist students and their parents in their preparation for, and understanding of, the Preliminary Course in 2016. The evening will provide information regarding the expectations and requirements of students working towards their Higher School Certificate in New South Wales, as well as details about Year 11 this year.

Attendance on the evening is compulsory. Students are expected to accompany their parents or carers wearing their full College Summer Uniform. We ask that you arrive at 6.45pm for a 7.00pm start. If somehow you are unable to attend, please ensure Ms Volpato is informed of this by Monday, February 15, as it is important that all families are represented on the night. Any student not in attendance will miss vital information that will benefit them this year.

Thank you for your support and we look forward to meeting with you on Wednesday 17 February.

Yours sincerely,

Iris Nastasi

PRINCIPAL

Daniella Volpato

Year 11 Coordinator

Laura Gant
