Dear Parents and Guardians,

As listed on our College calendar a Staff Development Day has been scheduled for Monday 10 October.

Staff will be involved in a variety of sessions that will deepen their knowledge and understanding of student wellbeing. This day is of significant importance to our College as we look to examine a whole school approach to improve the mental health and wellbeing of all in our school community.

Given that our staff will be involved in workshops all day we request your child remain at home on this day. Therefore, school will begin for Term 4 on Tuesday 11 October. Limited supervision will be provided for students whose parents cannot make alternate arrangements.

Should you have any further enquiries please contact your son/daughter's Year Coordinator.

Yours sincerely

David Forrester
ASSISTANT PRINCIPAL
